Exciting new Availity Essentials portal functionalities
(Medicaid)

We're excited to announce new functionalities for the Availity Provider Portal that will help improve efficiency and add to a better experience for you. These are just some of the exciting capabilities coming your way!

Claims Correction
- Allows providers to make corrections on submitted claims that are not finalized

E&B Accumulators
- For each member/plan submitted, the tool will provide the Molina plan, amount paid, and benefit/count level accumulated towards the threshold or limit

Member Search
- Availity will return comprehensive Eligibility and Benefits details for subscribers and dependents

Enhanced Member Roster
- PCPs and providers in the same group can customize member search, view various statuses (e.g., needed services, inpatient, new members, etc.)
- Access other functions to view member details, submit claims and request service authorization

New E&B Interface
- Enhanced Eligibility & Benefits module will make finding the benefit information you need easier and quicker

Prior Authorization (PA) Submissions and Status Reviews
- Submit and view authorization status through Availity
- View all-payor Authorization Dashboard
- More streamlined authorization submittal process with ability to add attachments

Claims Overpayments
- Availity will conduct a recovery of all claims identified as overpaid or paid in error based on the specific state guidelines

Automatic PA Requirement Checks
- Verify instantly if PA is required
- Single Sign On (SSO) for Molina's delegated vendors

Patient Cost Estimator
- View member cost estimate based on their individual member benefits

Claims Re-Evaluation (Appeals)
- Providers can submit claims disputes and view dispute state electronically

Real-Time Authorization Approvals
- Real-time approvals for authorization requests for certain services

Authorizations Determination Correspondence
- Near real-time access to authorization status notification material (currently fax/letter)
