## Free Workshop – Earn CE Credits Problem Solving Treatment for Patients with Depression

**What is it?** This free, one-day workshop informs mental health professionals about Problem Solving Treatment (PST). PST teaches and empowers patients to solve the here-and-now problems contributing to their depression and helps increase self-efficacy.

Developed for use by medical professionals in primary care settings, an extensive evidence base shows that PST can effectively be provided in a wide range of settings and with a variety of providers and patient populations.

The training is cosponsored by Molina Healthcare, and presented by the University of Washington Advancing Integrated Mental Health Solutions (AIMS) Center.

**Who should attend?** Psychologists, mental health counselors, social workers, marriage and family therapists, nurses, and physicians.

**When & where:** Thursday, October 24, 2019, 9 a.m. to 5 p.m., at Red Lion Hotel, 607 E. Yakima Ave., Yakima, WA. Lunch is provided.

**Earn CEs:** Attendees will be eligible to earn continuing education credits from the National Association of Social Workers (NASW) and the American Psychological Association (APA).

**How to register:** Visit [surveymonkey.com/r/N6GBXTG](https://surveymonkey.com/r/N6GBXTG). Space is limited to 60 participants.
